

Title:

Summary of proposal Write a summary of the proposed research, intended to explain the proposal in language that the public can understand.

Relevance and expected outcomes • Outline the objectives of the proposed international collaboration and explain the potential outcomes and impacts. • Explain how the international collaboration will address important research challenges in the natural sciences and engineering (NSE) disciplines and further develop areas of Canadian strength and leadership. Describe the global importance of the topic and how the expected outcomes could benefit Canada.

INSERT YOUR TEXT HERE, RESPONDING TO EACH OF THE ABOVE POINTS

Collaboration • List and describe your international collaborator(s). • Explain the rationale for your selected international collaborator(s) and the added value of the collaboration. • Describe the role of your team in the collaboration.

INSERT YOUR TEXT HERE, RESPONDING TO EACH OF THE ABOVE POINTS

Training plan • Describe how the project and the international collaboration offer opportunities for enriched training experiences that will allow research trainees (undergraduates, graduates and post-doctoral fellows) to develop relevant technical skills as well as professional skills, such as leadership, communication, collaboration and entrepreneurship. Include the nature of the planned interactions with the international collaborators(s) and other relevant activities.

INSERT YOUR TEXT HERE, RESPONDING TO EACH OF THE ABOVE POINTS

Equity, diversity, and inclusion (EDI) • Describe how EDI will be fostered within the research environment, including 1) how EDI will be considered in the training plan and 2) how EDI has been considered in the academic team composition.

INSERT YOUR TEXT HERE, RESPONDING TO EACH OF THE ABOVE POINTS

References • Use this section to provide a list of the most relevant literature references. Do not refer readers to websites for additional information on your proposal. Do not introduce hyperlinks in your list of references. • These pages are not included in the page count.
